BETSRG Outing & Dinner - Spring 2009

The Building and Environmental Thermal Systems Research Group had an outing on March 14, 2009.

The road tour started by visiting Pawnee Bill Ranch and Woolaroc and ended with dinner at Dr. Cremaschi's home in Tulsa.

Cultural Night - Spring 2009

Cultural Night is one of the most memorable ways of sharing the diversity which international students bring to our campus. Chandan, Ellisa, and Lu had participated in this event.
